**Subject:** RE: PA/16871 - Pre-Application Consultation

Dear Gary Glenister,

**Re: SCHEDULE 1 Article 4. (4) SCHEDULE 1B/1C Articles 2C & 2D – Proposed Installation of Ground Mounted PV Solar Panels at Land East of A48 and Land SW of Ty Croes, Adj to Clawdd Ddu Solar Farm, Ty Croes, Ammanford, SA18 3RE (Ref: PA/16871).**

Thank you for the formal request for a pre-application consultation response under article 2D of the Town and Country Planning (Development Management Procedure) (Wales) Order 2012, concerning agricultural land quality and the application of BMV policy. This advice relates to technical information only; not the merits or otherwise of the proposal.

### **1. Agricultural Land Classification (ALC):**

The Department has not previously surveyed the site. According to the Predictive ALC Map, the land East of the A48 is ALC Subgrade 3b and the land South West of Ty Croes is ALC Grade 4 and 5.

### **2. Advice:**

An ALC survey is not required for this site as it is unlikely to include BMV agricultural land. Therefore BMV Agricultural Land Policy (PPW paragraph 3.54 & 3.55) does not apply to this application.

Should the Department be consulted by the LPA on a planning application, this would be under arrangements given in TAN6, Annex B6 and relate to technical advice only; not the merits or otherwise of the proposal.

Regards

Arwel Williams
